Oral Sedation Post-Op Instructions

- 1) Your driver/escort must take you home (not a taxi).
- 2) Your escort must assist you to and from the car into your home while firmly holding your arm to insure that you do not fall.
- 3) You must not drive the remainder of the day or evening of appointment, nor operate machinery, navigate stairs unassisted nor attempt to make important personal or business decisions.
- 4) Take no other sleeping aids, pain medications or other medications unless permitted by Dr. Price the afternoon and evening following your appointment.
- 5) Patient is asked to report any difficulties or adverse reactions to Dr. Price.
